

California Natural Herring & Sweet Potato Adult Dry Dog Food

California Natural is one of the highest-quality foods available. We prefer their Herring & Sweet Potato Formula because of its (mostly) natural ingredients and high fish content, which is great for keeping doxie coats sleek and beautiful. The doxies also seem to love the stinky fish flavor.

Feeding Recommendations

We feed ¼ cup twice a day to mini dachshunds, 1/3 cup twice a day to tweenies, and ½ cup twice a day to standards. Supplement this feeding schedule with two healthy snacks per day, such as raw vegetables or healthy treats
