

EVO Red Meat Small Bites Dry Dog Food

Made by Innova, all Evo products are outstanding, made with the highest-quality ingredients. We like Red Meat Small Bites because it contains no grains and is a smaller kibble that minis find easier to chew. Their little mouths have a hard time with big kibble!

Feeding Guidelines

We feed ¼ cup twice a day to mini dachshunds. Supplement this feeding schedule with two healthy snacks per day, such as raw vegetables or healthy treats

Calorie Content

4,035 kcal/kg (121 g = 1 cup)
